Artist's Impression

Living in the city brightens every heart. Imagine living in a development that brightens the city. Designed with fascinating lights that attract every attention, EON SHENTON stands tall as the beacon of light in the area especially when night falls. Towering at a height of 32-storey, it is made up of shops, offices and residential units as well as 4 levels of multi-storey carparks and 2 levels of basement carparks for everyone's convenience. The facade is carefully designed with 3 outstanding sky decks offering hotel-style facilities and breathtaking unblocked views of the city skyline. It is truly a unique development that will shape the future of commerce and recreation.

FOR OFFICE AND SHOP

Note:

- 1) The brand and model of all equipment supplied shall be provided subject to market availability and the sole discretion of the Vendor.
- 2) Layout/location of fan coil units, electrical points, telephone points and door swing positions are subject to Architect's sole discretion and final design.
- 3) The Purchaser is liable to pay annual fee, subscription fee and such other fees to the Starhub Cable Vision Ltd (SCV) and/or Internet Service Provider (ISP) or any other relevant party or any other relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective subscription channels and/or internet access.
- 4) If the Purchaser requires internet access, the Purchaser will have to make direct arrangements with the Internet Service Provider and/or such relevant entities/authorities for internet services to the unit and to make all necessary payments to the Internet Service Provider and/or the relevant entities/authorities.
- 5) Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the unit is delivered to the Purchaser.
- 6) For cyclical maintenance work to be carried out to the building facade, owners shall allow access to the maintenance team.
- 7) While every reasonable care has been taken in preparing this brochure and the plans attached, the Developer and its agents cannot be held responsible for any inaccuracies therein. All statements, specifications and plans are believed to be correct but not to be regarded as statements or representations of fact. Visual representations, illustrations, photographs and renderings are intended to portray only impressions of the development and cannot be regarded as representation of facts. Photographs or images contained in this brochure do not necessarily represent as built standard specifications. All information and specifications are current at the time of press and are subject to change as may be required and cannot form part of an offer or contract. All plans are subject to any amendments approved by the building authorities. Floor areas are approximate measurements and subject to final survey. The choice of brand and model of fittings, equipment, installation and appliances supplied shall be at the sole discretion of the Vendor.
